

Inspection of examinations at the faculty WEBIS

Inspection of examinations taken in winter semester 2023/24 is possible as follows:

1. the inspection takes place in the period from 18.3.2024 to 30.4.2024 at the respective first correctors.
2. students who wish to inspect must register this request by email with the first corrector in the period from 22.2.2024 to 7.3.2024. Please state your surname, first name and examination subject.
3. the examination inspection takes place at the OTH in Weiden
4. students will be informed of the date (day / time) for the inspection by the first corrector. The appointment must be kept so that not too many students come to the examination inspection at the same time.
- 5 Alternatively, some first correctors offer an online examination inspection. If this option is available, you will be informed of this in the respective Moodle course. You will also be informed about further details on exam viewing.
