

Post-exam review of the faculty WIG

1. The opportunity to review exams taken in the summer semester 2026 will be carried out **on Friday, 31th July 2026, from 10 to 12 o'clock am**, by the respective first correctors.
2. Students who wish to review their exams must register with the first correctors by e-mail by **Monday, 27th July 2026, at the latest**. Please state your surname, first name, degree program and examination subject.
3. The review of the exams will take place at the OTH in Weiden. The rooms will be announced to you in due time.
4. The students will be notified of their specific review slot (time) by the first corrector. Only registered students have the right to review exams on 31th July 2026.
5. For exams that have not yet been corrected by 31th July 2026 or if the date is not suitable, it is possible to arrange an exam review at a later date in consultation with the first corrector. The following rules apply:
 - a. The exam review takes place in the period from 01th October 2026 to 30th October 2026 with the respective examiners.
 - b. Students who wish to review their exams must notify the examiners by e-mail by no later than 25th September 2026.
 - c. Please state your surname, first name, degree program and examination subject.
 - d. The examination inspection will take place at the OTH in Weiden.
 - e. The examiners will inform the students of the date (day/time) and location for the examination inspection.
 - f. The examiners are free to offer an online examination inspection instead of a face-to-face inspection.
 - g. The dates are binding and must be adhered to.
