

Wechsel zu internationaler Oberfläche in Statista

How to switch to international Statista

The screenshot shows the Statista website interface. At the top left, the Statista logo is displayed. To its right, the text reads: "Sie sind eingeloggt über die Campus-Lizenz der Ostbayerischen Technischen Hochschule Amberg-Weiden". Below this, a navigation bar contains the following items: "Statistiken", "Reporte", "Insights" (with a "NEU" badge), "Infografiken", and "Leistungen". On the right side of the navigation bar, there is a "Mein Account" dropdown menu, which is highlighted with a yellow box. A dropdown menu is open below it, listing four international site options: "statista.de" (with a German flag), "statista.com" (with a US flag), "statista.fr" (with a French flag), and "statista.es" (with a Spanish flag). Below the navigation bar, the main heading reads "Empowering people with data" and "Insights und Fakten aus 170 Branchen und 150+ Ländern". A search bar is located below the heading, with the placeholder text "Statistiken, Prognosen und Umfragen finden" and a "Statista-Suche" button with a magnifying glass icon. At the bottom of the page, there are several topic tags: "Ukraine-Krieg", "ChatGPT", "Elektromobilität", "Metalle der Energiewende", "LGBTQI*", "Wärmepumpen", "Adidas", "Fleischersatzprodukte", "1. Fußball-Bundesliga", and "Politische Stimmung".
