

How to use the revolving door

To enter the 24h-library, hold your student ID card on the card reader here, then stand in the revolving door!

The revolving door will begin to move shortly afterwards.

**Take your time, the door takes a few seconds to move.
Do not push!**

Only students who take part in a one-time library introduction receive an activation for this door!

How to use the revolving door

Do not push this button!!!

If the light on the button is red, the door does not work

You can turn the button rightwise to turn green again.

(The button must always be green for the revolving door to work)
