- **Please note the following preliminary information regarding course enrollment in Moodle:**
- Courses for the summer semester will be created according to the current schedules. The enrollment in the courses will again be done with a global enrollment key, which will be communicated to you with all relevant information shortly before the start of the semester by e-mail via your OTH e-mail address. You will also receive separate information in advance via the bulletin board.
- For the elective modules there will again be an automatic enrollment. As soon as this has taken place, you can check whether you are correctly enrolled and have access.
- **If you have any questions regarding Moodle, please contact [moodle-support-wig@oth-aw.de](mailto:moodle-support-wig@oth-aw.de)**

**Induction day for first-year students on Tuesday, March 15, 2022.**
