

Winter semester 2026/27

Important information – Faculty MB/UT

- The introduction day for first semester students will take place on Thursday, 01/10/2026 as a hybrid event - online and face-to-face on site. But it's strongly recommended to attend personally on site. You can find more information here:
<https://www.oth-aw.de/en/studies/getting-started/information-for-first-semester-students/#first-semester-welcome>
- Beginning of the lectures is on Friday, 02/10/2026.
- To receive important information, please subscribe to the "Noticeboard":
<https://www.oth-aw.de/en/university/services/online-services/noticeboard/>
Here you must enter your OTH e-mail address!
- All communication takes place via your OTH e-mail address. Please use this exclusively and check it regularly.
- You can find your lectures in the timetable. You will receive further information directly in the introductory session, via the Noticeboard or via a notification by e-mail.
- The global enrollment key for all Moodle courses will be communicated to you in the introductory session and via the Noticeboard. All course documents can be found in the respective courses. If you have any problems or questions regarding Moodle, please use the ticket system::
